

Water Sector Trust Fund

QUALITY POLICY

Water Sector Trust Fund (WaterFund) is committed to mobilize resources for financing the development and management of climate friendly water, sanitation in addition to research and innovation initiatives for improved quality of life in Kenya.

WaterFund is also committed to comply with the requirements of ISO 9001:2015 and ensure continual improvement of its Quality Management System (QMS) processes and services to achieve excellence in customer satisfaction. In addition, WaterFund commits to comply with statutory and regulatory requirements relevant to its operations.

Consistent with this quality policy, WaterFund shall establish quality objectives which shall be reviewed for continuous suitability.

Willis Ombai
Chief Executive Officer
